Sale of Fletcher Construction regulatory update

Fletcher Building today announced that the sale of Fletcher Construction to VINCI Construction has received approval from the New Zealand Overseas Investment Office and that the New Zealand Commerce Commission has also confirmed that it does not intend to consider the transaction any further.

While these key regulatory conditions are now satisfied, completion still remains subject to certain counterparty consents and restructuring conditions and is now expected to occur by the end of FY26.

ENDS

Authorised for release to the market by Haydn Wong, Company Secretary.
